EARL & BIRDIE TAYLOR LIBRARY PACIFIC BEACH BRANCH

SUMMER WRAP-UP:

The Pacific Beach/Taylor Branch Library was the place to be during the summer. We had nearly 500 children and teens participate in our Summer Reading Program; and, the Library hosted 64 free events for children with 1,715 in attendance! We are especially grateful to several girls from local Girl Scout Troop 3181 for volunteering their time to help make the summer program a success. We are also indebted to the Friends of the PB Library and the PB Town Council for funding our summer events. To ease the transition from summer into fall, the PB Library has planned a few new events for children - in addition to the usual favorites.

MORE EVENTS:

TRADITIONAL TIBETAN MEDICINE

Thurs., October 29 @ 1:00-3:00 pm

All the material which makes up our universe is based on the qualities of 5 basics elements which are described in the ancient texts of Tibetan medicine. In this theory, when these systems become imbalanced, illness results. Sondra Buschmann of the Tibetan Healing Center in San Diego will describe Traditional Tibetan Medicine and share her personal experience of its benefits. *Registration for this lecture is recommended; please call the PB Library (858-581-9934) or register at the Circulation Desk.*

GENEALOGY: BE AN ANCESTOR DETECTIVE

Thurs., November 19 @ 1:30-3:30 pm

How much do you really know about your family? Have you always wondered what information is available on the Internet about your family? Now is the time to find out where your ancestors lived, how they lived, and how they came to the U.S. and lots more. The class will cover how & where to begin (always with yourself!) One warning should be given to prospective attendees: This is a very addictive hobby! Come have fun discovering how you came to be you. *Registration for this OASIS lecture is required; please call the PB Library (858-581-9934) or register at the Circulation Desk.*

BRANCH MANAGER'S NOTES

Hello, Friends!

The PB Library enjoyed a very busy summer. We expanded our annual Summer Reading Program by adding a component for adults, and 134 of PB's 729 SRP participants this year were adults! Our library also hosted a grand total of 70 programs this summer for our community's children, teens and adults, with 1,964 people attending. Suffice it to say that our entire staff is thrilled that there are so many enthusiastic readers here in PB.

Summer has ended and the days are getting shorter, but we hope you'll still find time to visit us at the library this fall. The PB Friends' Concert Series has returned and it features an eclectic mix of musical genres. Concerts are held on the 2nd Wednesday of each month, except for December. We are also offering exciting free lectures on Traditional Tibetan Medicine (10/29) and Genealogy (11/19). At www.pblibraryfriends.org you can view a listing of all of our special events.

Please drop by to say hello if you should see us out and about in the community. The PB Library was at Beach Fest on Saturday, October 10, with information on our programs as well as some goodies to take. As in years past we shared the booth with the dynamic women of Soroptimist International Mission Bay – Thank You! On Saturday, November 21, we will also host a book fair at the Bookstar in Point Loma. Bookstar will contribute to the PB Friends a percentage of sales made that day by every customer who presents one of our vouchers. You can either pick up a voucher at the PB Library or use the one printed on this page. If you're thinking of giving books as gifts and you couldn't find the right ones at the PB Friends Book Sale, we hope you'll buy them at our booksale so that your gift can be twofold – for your loved ones and your library!

And now, in honor of the transition from summer to autumn, I'm off to 'leaf' through some books.
